DATE MAILED: 05/14/2004

Please find below and/or attached an Office communication concerning this application or proceeding.

DETAILED ACTION***Requirement for Information Under 37 C.F.R. ' 1.105***

1. Applicant and the assignee of this application are required under 37 CFR 1.105 to provide the following information that the examiner has determined is reasonably necessary to the examination of this application.
2. The information is required to identify products and/or services embodying the disclosed subject matter of a method for identifying uninsured motorists. The Examiner upon conducting a search for prior art, discovered a web site for Fasttrack Systems Inc. (a copy of the information is attached to this request). The web site discloses a product called Intelligent Clinical Protocol that is a computer based model of a clinical protocol. The web site disclosure indicates the product was jointly developed with Stanford University and the National Cancer institute. Furthermore, the Examiner found an article on the web site of Windhover Information Inc. that indicated that Fasttrack Systems was offering software and services in the clinical trials environment at least as early as December 1999 (publication date of the article, see attached article). In response to this requirement please provide any known publications, brochures, manuals and press releases that describe the clinical protocol modeling software or service that is

Art Unit: 3626

described by the Fasttrack web site and specifically what software or services were marketed or developed in 1999 that was the subject of the December 1999 publication.

3. The fee and certification requirements of 37 C.F.R. 1.97 are waived for those documents submitted in reply to this requirement. This waiver extends only to those documents within the scope of this requirement under 37 C.F.R. 1.105 that are included in the applicant's first complete communication responding to this requirement. Any supplemental replies subsequent to the first communication responding to this requirement and any information disclosures beyond the scope of this requirement under 37 C.F.R. 1.105 are subject to the fee and certification requirements of 37 C.F.R. 1.97.

4. In responding to those requirements that require copies of documents, where the document is a bound text or a single article over 50 pages, the requirement may be met by providing copies of those pages that provide the particular subject matter indicated in the requirement, or where such subject matter is not indicated, the subject matter found in applicant's disclosure.

5. The applicant is reminded that the reply to this requirement must be made with candor and good faith under 37 CFR 1.56. Where the applicant does not have or cannot readily obtain an item of required information, a statement that the item is

Art Unit: 3626

unknown or cannot be readily obtained will be accepted as a complete response to the requirement for that item.

6. This requirement is subject to the provisions of 37 C.F.R. 1.134, 1.135 and 1.136 and has a shortened statutory period of 2 months. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Art Unit: 3626

Conclusion

7. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Alexander Kalinowski, whose telephone number is (703) 305-2398. The examiner can normally be reached on Monday to Thursday from 9:00 AM to 6:30 PM. In addition, the examiner can be reached on alternate Fridays.

If any attempt to reach the examiner by telephone is unsuccessful, the examiner's supervisor, Joseph Thomas, can be reached on (703) 305-9588. The fax telephone number for this group is (703) 872-9306 (for official communications including After Final communications labeled ABox AF@).

Hand delivered responses should be brought to Crystal Park 5, 2451 Crystal Drive, Arlington, VA, 7th Floor, receptionist.

Alexander Kalinowski

Patent Examiner
